Wind-Up Bird Chronicle, and since then critics have lauded him for being much more “engaged” and “committed” to Japan and its political state. Generally, critics view Murakami’s political stance as an individual/institutional binary.

Exposing the Private Origins of Public Stories: Narrative ...

Novels like Murakami's epic 1995 work *The Wind-Up Bird Chronicle* (*Nejimakidori kuronikuru*, 1994-95), for example, demonstrate how the stories that individuals inherit from historical sources contend with the stories that they construct to frame a private self. As evidenced by his representation of Asahara as the "master story"
